This technical drawing illustrates a cross-section of a window frame assembly. The drawing includes various components such as the window pane, frame, sash, and hardware. Key dimensions are provided for both width (WD) and depth (DLO). The width dimensions include a total width of 6' 4" and a sash width of 4". The depth dimensions include a total depth of 8" and a sash depth of 3". Tolerances are specified for several dimensions, including ±1/2" and -1/2". The drawing also shows the location of bolts and other fasteners used to secure the assembly.
